DISCLAIMER AND/OR LEGAL NOTICES:

The information in this course has been built from my life and experiences, and it is what works for me. While I have made every effort to translate the decidedly quirky workings of one human mind into a process that will be applicable and accessible to other human minds, I cannot guarantee that this course will work for you, or that my processes will be applicable to your needs and purposes. Nor can I guarantee your success. This course is not intended as a source of legal, accounting, medical or other advice, and is written for information purposes only. While every attempt has been made to verify the information in this course, mistakes happen, and I make them. I will not assume responsibility for errors, inaccuracies, or omissions. I reserve the right to alter and update this course as my processes change, as I learn new things, and as I improve existing methods.
